

# Engraved Bricks

Reserve yourself a place in history and help support the museum by purchasing an engraved brick. You may contribute a brick in anyone's name, your company, or organization name.

Engraved bricks are \$35.00 for one engraved line or 4 bricks for \$120.00. Two additional lines may be purchased for \$5.00 each.

The bricks, unless requested to be grouped, will be installed, at random, in front of the steps of the Old Schoolhouse.
