## **BUSINESS MEMBERSHIP**

The Board of Directors of the Twentynine Palms Historical Society invites and encourages all Morongo Basin businesses to join our Society.

Our Society was founded by a small group of local volunteers on April 26, 1982 as a non-profit, public benefit corporation. It is dedicated to preserving and interpreting the historical heritage of the Twentynine Palms area through a variety of educational activities.

In 1927, the community of Twentynine Palms raised \$300 to build a schoolhouse. This schoolhouse is now viewed as the "Oldest Public Building" in the Morongo Basin. It has been declared an historic building by the City and, in 1996, was recognized by the Billy Holcomb Chapter of E. Clampus Vitus which placed a bronze plaque at the site

Throughout the year the Historical Society offers its members special programs. These programs seek to educate the public in the history of the area. Almost a thousand students visit the museum annually as participants in class tours designed to help fulfill

California history—social science standards. In October the "Old Timers" gathering is held at the museum during the City of Twentynine Palms annual "Pioneer Days" celebration. The first weekend in November there is the annual "Weed Show", started in 1940, featuring desert flora in unique artistic arrangements.

When you join the Twentynine Palms Historical Society as a business member you let your customers, employees, neighbors, family and friends know that you recognize the importance of supporting culture and history in the community where you work and live.

As a business member, you help to preserve the unique resources that are the Old Schoolhouse Museum and collections that are an essential part of the cultural fabric of the Morongo Basin. They promote education, tourism and a quality of life we all appreciate. Your annual membership helps ensure the doors of our museum and archives will be open for the next group of visitors and generations to come.

Along with our thanks, your business membership comes with the following benefits.
