“Adventures in the Mojave Trails National Monument”

Mojave Trails National Monument is a landscape defined by scarcity and shaped by travel. The area exemplifies the remarkable ecology of the Mojave Desert, which has also forged the unique human history of the area. Join Mojave Trails National Monument Manager Kyle Sullivan in a discussion of the history and future of this incredible landscape and the people and policies that forged it.

Kyle Sullivan is the BLM Manager of the Mojave Trails National Monument. Sullivan has a bachelor's degree in earth science from the University of Northern Colorado and a master's degree in natural resource management from the University of Denver.
